Grey to Green

By Jess Gold

For Schools' Climate Education South Yorkshire

Chorus

C Em F G
Going grey to green, we're really keen
C Em F G
Safe, clean planet, like you've never seen
C Em F G C
It's time to shine, South Yorkshire

This is sung twice. On the final chorus repeat "Together South Yorkshire" twice at the end.

Verse 1

F G
On the moors the fresh air soars, the air in the city, just not pretty
F G
Life's more fun with clean lungs, scrub up the air, it's only fair
F G
Nature is best she never rests worms at play in her soil and clay
F G
Recycling helps the plants to grow, waste in landfill say no no no!

Chorus

Verse 2

F G
Teach us help us understand, what we can do to save our land
F G
Walk in the sun on our school run carbon zero is the way to go
F G
We've always led and moved ahead our industrial heart played its part
F G
Raise your voice, make your choice so much to know let's go, go, go!

Bridge

F G F G F G
Together we will hope, together we'll have hope, together we'll build hope

Final Chorus
